### CALLING ALL FILM MAKERS GET YOUR FILM IN NOW FOR THE 7TH ANNUAL BONDI SHORT FILM FESTIVAL

The Bondi Short Film Festival has reached cult status amongst indie film makers. With an eclectic mix of high end quality short films and a devoted audience it is little wonder the event has sold out every year for the past six years.

With its commitment to independent film, the festival has maintained that all film entry to the festival is free.

The festival separates itself from other short Film Festivals in Australia by not restricting film makers to a particular theme and ensures that all entries are 100% Australian.

*In short we want to see the very best short films Australia has to offer and we do not want to restrict the film maker in anyway!* Francis Coady - Festival Director
